

GENERATIONS SOUTHEAST

COMMUNITY LEARNING CENTER

CAREER & TECHNICAL TRAINING

Warehousing and Storage Safety

Training Location: Generations Southeast Community Learning Center & Virtual options available

Instructor:

Cost: \$0

Course Duration: 4 Hours

Program Summary

This training session is designed to equip warehouse workers with the essential knowledge and practical skills to confidently identify, avoid, and prevent common workplace hazards. With the goal to build a safer work environment, reducing incidents and improving overall efficiency. Participants will learn to minimize strain and injury with proper body mechanics, safe lifting, and mechanical aids. Understand and prevent dangers from moving equipment. Master extension cord safety, electrical panel clearance, and how to prevent damage to electrical systems. This training includes real-world scenarios to ensure practical understanding and retention.

Topics Covered

- Safe Practices & Emergency Response
- Struck-By & Caught-By Hazards
- Exposure Hazards
- Electrical Safety Practices
