Program Summary

Generations Southeast is offering Financial Literacy Training in partnership with Tlingit and Haida Housing/HAA YAKAAWU Financial Corporation.

Financial Literacy Training will offer firsthand training for participants to gain an understanding of best practice for Financial skills. This program is designed to support our tribal citizens while encouraging self-sufficiency to help build strong communities throughout Southeast Alaska. The overall goal is to instill hope in their financial situation while educating them with valuable information to make permanent healthy changes to their financial habits. This is done through creating a family budget, tips for saving, understanding your credit report, tips for improving your credit score, and tips to improve your financial health.

Topics Covered

- How to create a successful family budget
- Tips for saving
- Credit score and reports
- Tips for improving your credit score
- Improving overall Financial Health
